

# Han Daniel Lee

U.S Citizen

## OBJECTIVE

Undergraduate **Computer Science** student seeking a **Software Engineer Position**.

## PROJECT

- ISM 6218 Advanced Database Management - Relational Database Design of Music Database.  
([https://bohmodel.github.io/Han\\_Portfolio/](https://bohmodel.github.io/Han_Portfolio/))
- ISM 6219 Data Visualization – Data visualization of Global Covid19 cases and stock prices of different sectors using Tableau, Power BI, Excel Analysis Tool Pack.  
([https://bohmodel.github.io/Han\\_Portfolio/](https://bohmodel.github.io/Han_Portfolio/))

## RELATED CLASSES

- CTS-2433 SQL Database Design Programming (Language: SQL)
- COP-1220 Programming in "C"
- CGS-2541 Database Design
- COP-2360 Programming in C#
- ISM-6124 Adv Systems Analysis/Design
- ISM-6218 Advanced Database Management (Language: SQL)
- ISM-6136 Data Mining (Tool: Azure ML)
- ISM-6145 Seminar on Software Testing (Tool: Selenium)
- ISM-6208 Data Warehousing (Tools: Tableau, Excel Analysis Tool pack, Language: SQL)
- ISM-6156 Enterprise Resource Planning & Business Process Management (Tool: SAP S/4 HANA)
- ISM-6219 Data Visualization (Tools: Tableau, Power BI, Anaconda)
- ISM-6930 Fundamentals of Fin Tech
- QMB 6304 - Analytical Methods for Business (Language: R)
- COP-3502 Programming Fundamentals 1 (Language: Java)
- COP-3503 Programming Fundamentals 2 (Language: C++)
- COP-3530 Data Structure and Algorithms (Language: C++)
- MAS-3114 Computational Linear Algebra
- COT-3100 Application Discrete Structure
- CIS-4301 Info & Database Sys 1
- ENC-3246 Professional Communication for Engineers
- EGS-4034 Engineering Ethics and Professionalism
- CDA-3101 Intro to Computer Organization
- COP-3530 Data Structure and Algorithms
- STA-3032 Engineer Statistics (Language: R)
- CIS-4360 Comp and Info Security
- COP-4020 Program Lang Concepts (Language: Java)

## JOB EXPERIENCE

**Revenue Agent** - Internal Revenue Service / September 2021 – August 2022

**Tax Auditor** - Florida Department of Revenue / December 2017 – September 2021

- Had a full-time job in undesired field while pursuing academic goals to make ends meet financially.

## PERSONAL INTEREST

- Traveling abroad.
- Foreign language acquisition/learning.

## EDUCATION

### B.S. Computer Science

University of Florida – (2020 ~ Present)

GPA: 3.22

### M.S. Business Analytics and Information Systems

University of South Florida  
Florida, Tampa, FL – (2019 ~ 2021)

GPA: 3.63

### B.S./Master's Accounting

University of South Florida,  
Tampa, FL – (2013 ~ 2018)

## LANGUAGES

- VBA (Visual Basic)
- Python
- Java
- R
- SQL
- C
- C++
- Javascript

## Tools

- Tableau
- Power BI (DAX Formulas)
- Excel Analysis Tool Pack
